

**ACCEPTANCE FORM  
FOR END USER LICENSE AGREEMENT (for SAP On Premise indirect sales)**

This Acceptance Form for End User License Agreement (for SAP On Premise indirect sales) ("EULA Acceptance Form") is between SAP ISRAEL LTD., an Israeli corporation, with offices at 15 Hatidhar Street, Ra'anana 43665, Israel, (hereinafter "SAP") and \_\_\_\_\_ (End Customer), with offices at (registered address) \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ (hereinafter "End User"), together referred to as "Parties".

Relevant SAP Partner: \_\_\_\_\_, (registered address) \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ ("Partner")

"Effective Date" means the date on that the last signature was affixed to this EULA Acceptance Form.

"Territory" means Worldwide, subject to applicable export control laws as may be updated from time to time by the applicable jurisdiction and subject to Section 12.5 of the EULA.

**RECITAL**

WHEREAS, End User has purchased or will purchase certain SAP software as identified in Schedule 1 from the Partner.

WHEREAS, SAP wants to grant End User the right to use the SAP software as identified in Schedule 1.

NOW THEREFORE, the Parties agree as follows:

1. Any terms not defined in this EULA Acceptance Form will have the meaning ascribed to them in the End User License Agreement (for SAP On Premise indirect sales).

2. End User agrees to license the Software and the Third Party Software listed in Schedule 1 ("Licensed Software") from SAP on the terms and conditions specified in this EULA Acceptance Form and the following agreements which are incorporated and made a part hereof by reference:

- a) the End User License Agreement (for SAP On Premise indirect sales) for Israel attached hereunder as Schedule 2;
- b) any exhibit, schedule, appendix, annex or other document included in, attached to or referenced to in this EULA Acceptance Form and any of to the agreements listed in this Section 2a) and **Error! Reference source not found.**,

in each case as current at the Effective Date.

3. This EULA Acceptance Form together with the agreements listed in Section 2a) to b) are hereinafter referred to as "Software License Agreement".

4. End User herewith confirms that he has received and read all parts of the agreements referred to in Section 2 and will comply with the terms and conditions. SAP recommends End User prints copies of the agreements referred to in Section 2 for End User's own records.

5. Under this Software License Agreement, End User only receives a license for the Licensed Software; maintenance support, any other services for the Licensed Software ("Services") and the fees for the Licensed Software themselves are **not** contemplated under this Software License Agreement. SAP does not accept any liability for the provision of Services by the Partner.

6. In some of the Licensed Software products a click-wrap license is included that sets out license terms for the Licensed Software and that cannot be removed for technical reasons ("Product License"). Even though End User will need to accept the Product License in order to use those Licensed Software products, the Product License will not apply and those Licensed Software products will be governed by this Software License Agreement instead.

IN WITNESS WHEREOF, the Parties hereto have caused this EULA Acceptance Form to be executed by their respective authorized representatives.

Signatures sent by electronic means (facsimile, scanned and sent via e-mail, or signed by electronic signature service where legally permitted) shall be deemed original signatures.
